

Regionomix

Regionomix
Initiative
Overview

December 12, 2017

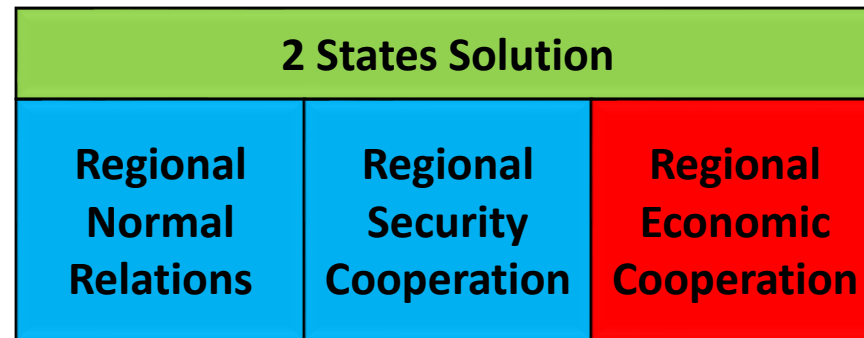

A regional economic development initiative to stabilize and develop the Middle-East Region, as an integral element of a "Regional Package Deal" between Israel, the Palestinians and key Arab States (based on the two-states solution and regional agreements in the spirit of the Arab Peace Initiative) – through accelerated economic development, job creation, and improvement of the standard of living and the quality of life

Transforming ME Economy Through Economic Diplomacy

Mar 1, 2018

What is “Regionomix”

- A proposed economic plan to rebuild the regional economies
- Measuring the benefits of a “regional package deal” in the spirit of the API+IPI

- Generated by 25+ economists and business persons from 9 countries – Palestine, Israel, Jordan , Egypt, Saudi Arabia, Bahrain, Morocco, Alger, (ex) Iran

Key Findings – Impact on 10th year – compared to “Status Quo”

- 20 million more jobs (in addition to forecast)
- Single-digit unemployment rate, down from from 20% forecast
- 1 trillion \$ increment to regional GDP
- 1 trillion \$ increment to the world's GDP
- 30% increase in GDP per capita
